Nation Safe Drivers Announces Approval of FUELMiser

Boca Raton Florida — November, 2008 —Nation Safe Drivers (NSD), one of the largest suppliers of auto-related supplemental products since 1902, announced today that the FUELMiser MPX Fuel Conditioning System will immediately be part of its value added offering of Insurance and Financial products. According to NSD Senior Account Manager, Greg Beyer, "Our evaluation of the FUELMiser product produced results that are consistent with the numerous Corporate, Governmental, and Automotive Professional testimonials featured on the FUELMiser website. The FUELMiser provides a competitive advantage to our Automotive Dealerships and tremendous financial return on investment to their customers. NSD officially launched the FUELMiser product at the annual Finance and Insurance Conference in Las Vegas, Nevada September 2008 and we are very pleased with the positive response received on the product offering."
